

## ALFA ROMEO OWNERS CLUB (KENYA)

NEWSLETTER NUMBER SEVEN

MAY 23<sup>RD</sup>, 2017

# **FILL YOUR ALFA'S TANK WITH UP TO 5,000 SHILLINGS OF TOTAL EXCELLIUM PETROL FREE OF CHARGE.**

Competitors in the Total Excellium Economy Run will fill their Alfa Romeo cars with up to 5,000 shillings of Total Excellium petrol free of charge at the start of the event.

The fuel consumed during the run will also be complimentary.

In addition Total has boosted the prizes and the overall winner will take home a fuel card loaded with 10,000 shillings. There will also be prizes in classes based on engine capacity with separate categories for carburetor engines and fuel injection. After the finish of the Economy Run David Dykes, a former East African Safari Rally scrutineer will judge the cars for cleanliness and condition to select more prize winners.

The entry fee is only 1,500 shillings per person for members and Alfa owners who are not members will pay an additional 500 shilling temporary membership fee for each individual.

The icing on the cake is the 1,500 shilling entry fee for members will entitle them to fifteen tickets in the Club's grand raffle.

## **CAR CARE JUDGING, PRIZE GIVING AND LUNCH AT MATTEO'S ITALIAN RESTAURANT**

As the Lake Naivasha Resort has become the site for the construction of a new 200 bed hotel the Total Excellium Economy Run car care judging, prize giving and lunch has been moved to Matteo's Italian Restaurant and Bar on the Naivasha South Lake Road. The restaurant is at a development which was intended to be a garage, service station, mini market shop and restaurant. There is a large block paved area for parking which is an ideal place for the car judging by David Dykes.

Matteo's is located 5.2 kilometres (approximately three miles) from the junction of the Naivasha South Lake Road and the main Nairobi to Naivasha Road.

# **LET US SHOW OUR APPRECIATION**

Let us show our appreciation to Total for this generous sponsorship by entering the event in big numbers. The annual Economy Run is our major motoring outing and is a great opportunity to publicize the Club and gather more members.

Six entries were received during the launch evening earlier this month representing a good start. If you are not one of these entrants please put pen to paper and submit the attached entry form as soon as possible to enable the club office to issue news releases publicizing the Total Excellium Economy Run.
