On Thursday February 16th gather at the King Post in Rhapta road at 7:00pm for an evening with four events rolled into one. The first will be the Club's brief Annual General Meeting, the presentation of awards followed by dinner and the launch of our new website by Peter Wanday, the Chairman. The fourth attraction will be the draw of the Club's grand raffle.

The private room of the King Post has become a popular venue for club evenings because of the ambiance, tasty food at a reasonable price and the competitive charges for drinks.

The evening of Thursday March 16th is set to be a very enjoyable get together.

THE PRIZES FOR THE GRAND RAFFLE

At present the prize list includes carpets, two nights for two at Soames Hotel (near Nanyuki) accommodation at a Sarova Lodge, hampers, wine and packs of Total Lubricants.

Members are welcome to add to the list by donating items like chocolates, wine, spirits and gift items. Please deliver contributions to the Bob Dewar Publicity office on 2nd floor Block G, Norfolk Towers Kijabe street, or bring them with you to the Club evening at the King Post as early as possible to help with the preparations for the raffle.

WELCOME

We welcome Alec Davis to the Alfa Romeo Owner Club and we look forward to seeing him at our events.

VICTOR AND VICTRIX LUDORUM

At this early stage the joint leaders on the score sheet for the 2017 Victor Ludorum Award are Sati Gata Aura and Shiv Agheda. The Victrix Ludorum list is led by Shashi Gata Aura. They only have a very narrow advantage over the members who participated in the January Social Rally.

CLASSICS AT THE CONCOURS

For the 21st successive year there will be a Classic Car and Motorcycle Sale at the CBA Africa Concours d'Elegance. This is aimed at putting enthusiasts who are interested in a classic (made in 1992, or earlier) with owners of unwanted machines. The first 30 entries are accepted regardless of the car, or bike's condition and the offerings vary from decrepit to good.

The Concours crowd includes a good number of prospective buyers of classics either for leisure weekend use, or for restoring for a future Concours. Some buy machines in bad shape as a source of spares.

Regulations will be available in March, but the Classic Sale Secretary Hellen Andrew is happy to receive entries immediately. She can be contacted at the Bob Dewar offices during working hours.
