MOTORING HISTORY AT SIZZLING SPICES

The Alfa Romeo Owners Club is visiting the Sizzling Spices Restaurant for the first time when we meet on Thursday April 19th at 7pm for our monthly gathering. This will feature the screening of part of the Club's motoring history.

The committee tries to find different venues for club evenings and we hope that members will enjoy a meal from the Sizzling Spices menu. This has a range of dishes from China, India and Europe at reasonable prices.

Included in the programme for the evening will Alfa Romeo and Club news and the introduction of the latest grand raffle. There will also be a preliminary briefing on the 2018 Naivasha Outing and Economy Run.

LET'S GO TO NAIVASHA ON SATURDAY JUNE 16TH

The Club committee invites members to take part in the 2018 Naivasha outing and Total Economy run scheduled for Saturday June 16th. A permit for the Economy Run has been issued by the Kenya Motorsport Federation (KMSF) and the Kenya Police Service has granted authority to hold the event. The start will be located at the Total ABC Service station on Waiyaki Way and the drive will finish at the Total service station on Moi road in the centre of Naivasha town.

Car care judging, the prize giving and celebratory lunch were held last year Matteo's Restaurant on the Naivasha South Lake road. This popular venue will be used once again on Saturday June 16th.

Participants in the event will enjoy a truly sumptuous lunch at only 1600 shillings per head.
