THURSDAY MAY 17TH, 2018

AT 7:00 P.M

The Alfa Romeo Owners Club May get together will be held in a private room on the top floor of the Hotel Royal Orchid Azure. This is located in Lantana road off Rhapta road a short distance from the junction of Waiyaki Way and Rhapta Road. If you are coming from the city turn left into Rhapta road and you will find Lantana road on your left before you reach new Rehema House (a red brick building). Shortly after entering Lantana road you will see the Royal Orchid on your right in a building behind New Rehema House.

Our May gathering will feature a look back in history at selected Club activities held in the early days. In addition there will be news about the programme of forthcoming events, the opportunity to buy tickets for the grand raffle and Club merchandise. The Chairman will also summarise the forthcoming Total Excellium Economy Run and Naivasha Outing.

NAIVASHA OPPORTUNITY

This year's Total Excellium Economy Run and Naivasha Outing on Saturday June 16th will be a golden opportunity to enjoy a great day out and benefit from the lavish sponsorship for the event by Total.

The full spectrum of benefits in this year's event features the following:

- Up to 5,000 shillings worth of free fuel at the start and an additional free top up at the finish.
- Complimentary refreshments at the start and finish.
- 15 free tickets for the Club's annual raffle.
- Chances to win prizes in the Economy Run and Car Care competition.
- Complimentary lunch in Matteo's Italian restaurant on the Naivasha South Lake Road.

To crown it all, the entry fee has now been reduced to only 500 shillings per head which will be used to help cover the cost of prizes.

Club Chairman Peter Wanday has appealed to members to bring out as many Alfas as possible to show Total our appreciation for the Company's unprecedented support. A big cavalcade of Alfa Romeo cars on the Naivasha Road will also raise awareness for our Club.

Please complete the attached entry form together with your payment as soon as possible. This will provide urgently needed material for news releases to publicise the Club and Total.

AT A GLANCE

The Naivasha Outing will start on Saturday June 16th from the Total ABC service station in Waiyaki Way. After the participants' Alfas have been filled with up to 5,000 shillings worth of free fuel competitors will be flagged away at two minutes intervals.

The route will follow the main Naivasha road along the edge of the escarpment and finish at the Total Moi Road service station in the center of Naivasha Township. Cars will be refilled while competitors enjoy refreshments before driving to Matteo's Italian restaurant on the Naivasha South Lake Road. This will be the venue for the Car Care assessment which will be followed by the prize giving for the Economy Run and the Car Care competition.

The event will end with a sumptuous lunch in plenty of time for competitors to either return to Nairobi in daylight, or spend the evening and night in Naivasha at their own expense.

VICTOR AND VICTRIX LUDORUM

At this comparatively early stage of the year the leader in the Victor Ludorum is Shiv Agheda followed by Micky Bassi and Peter Wanday. Competition for the Victrix Ludorum award is closely contested by Kamene Wanday who is in the lead followed by Pinder Bassi who is only two points behind.

The next opportunities for gathering points are the Club History Evening on Thursday May 17th and the Total Excellium Economy Run.
