# **TOTAL'S BEST EVER BARGAIN OFFER FOR** **CLUB MEMBERS**

This year's Total Excellium Economy Run is the best bargain offer made by the sponsor and it is hoped that as many members as possible will take advantage of this generous support.

The satisfaction of participating in the Club's major outing and showcasing a cavalcade of Alfa Romeo cars is enhanced by the offerings listed below:-

- Up to 5,000 shillings worth of free fuel at the start and an additional free top up at the finish.
- Complimentary refreshments at the start and finish.
- 15 free tickets for the Club's annual raffle.
- Chances to win prizes in the Economy Run and Car Care competition.
- Complimentary lunch in Matteo's Italian restaurant on the Naivasha South Lake Road.

To crown it all, the entry fee has now been reduced to only 500 shillings per head which will be used to help cover the cost of prizes. Please submit your entry using the attached form as soon as possible.

The entries already received have been listed in classes and there will be prizes for the winners of each category. The two litre class will feature Josephat Thuo in his 1982 Alfetta sports saloon and Micky Bassi with his 1989 Alfa 75. In the up to 1800cc class Peter Wanday's Alfa 156 will be up against Vanu Chavda in his 1992 Alfa 155 and Shailesh Chandaria who will be driving his trusted 1983 Giulietta.

## **OUTLINE**

The object of the Total Excellium Economy Run is to drive from the ABC service station to the Total Moi Road service station in the centre of Naivasha town within the allocated time using the least amount of fuel. The overall and class winners will be the drivers with the best fuel consumptions.

After the cars of the participants have been fuelled at the start with up to 5,000 shillings worth of Total Excellium petrol and they have enjoyed complimentary refreshments they will be flagged away at two minutes intervals.

The route will follow the main Naivasha road along the edge of the escarpment and will end at the Total Moi Road service station in Naivasha Township.

Cars will be refilled while competitors enjoy refreshments before driving to Matteo's Italian restaurant on the Naivasha South Lake Road. This will be the venue for the Car Care assessment which will be followed by the prize giving for the Economy Run and the Car Care competition.

The event will end with a sumptuous lunch in plenty of time for competitors to either return to Nairobi in daylight, or spend the evening and night in Naivasha at their own expense.

## **ALFA ROMEO ANNOUNCES NEW MODELS**

In June Alfa Romeo will announce additional models which will feature a new range of performance hybrid cars and a large SUV. This will go on sale in late 2019 together with a Giulia coupe.

Sales of Alfa Romeo cars rose significantly in 2017 and the majority were the upmarket and expensive Giulia and Stelvio SUVs. In February the SUV outsold the Porsche Macan in 28 of the EU markets.
