MEANINGFUL MEMBERSHIP.

The mini concert of key board music by Shashi Gata Aura during the August gathering was a fine example of meaningful membership of our club. By treating us to music she added to the enjoyment of the evening.

Members who make an effort to participate in club outings, the annual Total Economy Run and the CBA Africa Concours d'Elegance have the satisfaction of strengthening and publicising our club. Alfa Owners who are contesting the forth coming Concours will be flying the Alfa Romeo flag at the Racecourse on September 29th.

All of us should try to be meaningful members even if it is only to make a small contribution like a prize for the annual raffle.

FREE ENTRY TO THE NAIROBI RACECOURSE ON CONCOURS DAY FOR ALFA ROMEO OWNERS CLUB MEMBERS.

Alfa Romeo Owners Club members will have free entry to the Nairobi Racecourse for the CBA Africa Concours d'Elegance providing they arrive in Alfas and display their machines in the Club car park.

As the Concours is a major spectator event there will be tight security and it is essential that members collect "Club" windscreen stickers for cars and complimentary tickets for the occupants. These will be available at the Bidwood Suites on September 19th, or from the Bob Dewar Publicity office in Norfolk Towers before noon on Friday September 27th.

To reach the Alfa Romeo car park, please follow the “competitors” signs from the main Racecourse entrance. After passing through the competitors gate you will be directed to the Club car park.

The Racecourse gates will be opened to the paying public from 9: 00 a.m. All exhibitors are expected to be ready by this time. Accordingly it would be appreciated if you would arrive by 8:00a.m.this will help us to achieve the best possible display for the Alfa Club.

ALFA ROMEO GIULIA VELOCE TWO LITRE MODEL TOPS FOUR CAR “SHOOT OUT” BY AUTOCAR MAGAZINE.

The authoritative Autocar magazine recently arranged a four car “shoot out” featuring petrol engined two litre sporty saloons. The Alfa Romeo Giulia Veloce was used as the benchmark against the latest Volvo S60 T5 R-Design Edition, the Peugeot 508 GT 225 and the Kia Stinger 2.0 T-GDi GT-Line.

The conclusion reached by Autocar was that the Alfa was the best car to drive among the batch. The article ended by saying “When you look back at the cars you have owned you’re going to remember a car for its excitement and how it made you feel. Buy the Alfa.”
