On Sunday 23 April 2017, the KRCs Headquarters was adorned with sleek cars from The Alfa Romeo Owners Club who came to donate towards the drought appeal. Presenting a donation of Ksh 135,000 was the Alfa Romeo Owners Club Chairman, Mr. Peter Wanday to the KRCs Governor, Dr. Mohamud Said and Secretary General Dr. Abbas Gullet. Speaking during the donation ceremony, the Alfa Romeo Owners Club Kenya Chairman Peter Wanday said that the club appreciates the good work of the Kenya Red Cross in alleviating human suffering.

“The reason why we choose to work with KRCs as a Humanitarian organization is due to its positive

reputation and the good image it upholds as it carries out its humanitarian activities, providing support to vulnerable communities all over the country.” Mr. Wanday added.

Alfa Romeo Owners Club Kenya is a motoring club with most of its Corporate Social Responsibility (CSR) dedicated to charitable projects, especially in the month of April annually. The club was founded in 1970 and provides a platform for members to get together and exchange views and ideas in their Alfa Romeo journey.

“The drought is ongoing and despite the rains being received in various parts of the country, it will

take a while for us to realize results in terms of pasture, water and food. The Kenya Red Cross Society would like to express our gratitude for your kind gesture. We remain committed to reaching communities worst hit by this drought,” Dr. Gullet said. Dr. Gullet and Dr. Said appreciated the good gesture from Alfa Romeo community in their support towards drought.

KRCs Head of Strategic Plan and Resource Mobilization Anthony Mwangi and Operation Officer Kelvin Kiprono were among KRCs team during the ceremony.
