UPCOMING EVENT

The May club social outing will be held on Thursday May 30th at the Pot Belly Restaurant along Matundu Lane, Westlands from 6:00pm

The highlight of the evening will be a talk on the subject of car tyres.

WHAT TYRE?

When you need tyres you are faced with a bewildering choice. Factors include safety, the expected life of tyres, the size and profile. Also to be considered are do you drive fast for long distances, or is your car for mainly town use. Always remember the old saying "Cheap is Expensive."

On **Thursday May 30th** Micky Bassi the Director of Tyremasters will give the answers to "What Tyre?"

A VISIT WITH A DIFFERENCE

The April outing was a visit with a difference to the Hilltop Getaway Grill in Limuru which the participants had not been to before. Committee member Micky Bassi pulled a surprise after the 34 kilometer drive to set aside the Hilltop menu and make a koroga. The participating members joined Micky in preparing the meal which was greatly enjoyed and Club members chatted and laughed the afternoon away.

IN THE NEWS

Alfa Romeo has launched a new compact SUV model – the Alfa Romeo Milano.

Designed by the Alfa Romeo Centro Stile (Turin) the new car will be the brand's first fully electric vehicle.

We will bring you more updates on this exciting new model.

Marcello Gandini, the Italian car designer widely known for his work with the Italian car design house, Bertone, where his work included designing the Alfa Romeo Carabo and Montreal, died on March 13, aged 85.

Our club Chairman, Peter Wanday, has been appointed to the FIA Historic Motor Sport Committee (HMSC) for the period 2024/2025. The committee comprises of 20 members including two manufacturers' representatives (from Porsche and Audi respectively). Peter becomes the first Kenyan to be appointed to this committee.
